IPT and APT

IPT must be taken before the APT

Prerequisites for 400-level EDSE APT courses: IPT and *24 in the Major Subject area. Corequisite: EDSE 451.

Students must have already taken OR be registered in the EDFX 350 and EDSE 3XX (subject area) courses prior to being able to register in the EDSE 4XX and EDSE 451 courses.

If the IPT and APT are being taken back to back, the student must first register in at least the EDSE 3XX (IPT) and EDFX 350 courses in the fall, before the system will allow for the EDSE 4XX (APT) and EDSE 451 registration in the winter.

- E.g. An Art major student must register in at least the EDSE 312 and EDFX 350 for the fall term, before the system will allow registration into EDSE 412 and EDSE 451 for the winter term.

Notes:

(1) For both the IPT and APT, if students have issues with EDFX course registrations, they must first ensure that they are registered in all of the other IPT or APT courses BEFORE contacting the edfx.secondary@ualberta.ca email for registration assistance with any EDFX course.

(2) If students are taking the IPT and APT back to back in the upcoming fall and winter terms, they will get an error on the scheduler builder validation for the APT courses. This is because they are not actually registered in the IPT courses yet for the fall (they are only in the schedule builder). This is not an issue, and all should be fine when they register, provided that IPT registration is completed before moving onto the APT registration.

Prerequisites on EDSE 3XX Minors Courses

EDU 100/300, EDU 210, and EDU 211 are the pre/co-requisites for the following EDSE Minors courses:

EDSE 313, EDSE 318, EDSE 305, EDSE 323, EDSE 328, EDSE 333, EDSE 338, EDSE 344, EDSE 348, EDSE 356, EDSE 369, EDSE 370, EDSE 374

Students will need to have the EDU 100/300, EDU 210, and EDU 211 courses completed or be registered in them PRIOR to registering in the EDSE 3XX minors course.

Please contact the Department of Secondary Education (educ.sec@ualberta.ca) for assistance with the EDSE course registration(s).
